

Manage all your mailing needs with our new desktop mailing system

The DP50 Series digital mailing system with built-in scale is ideal for the small business or home office that sends upwards of 5 letters or parcels per day. It will give you exact postage every time as well as convenience, efficiency and savings.

■ **Savings** - using a franking machine you qualify for Royal Mail postage discounts.

Plus the 2.5kg integrated scale will automatically calculate the exact postage, saving up to 20% on your postage costs.

■ **Convenience** - refill postage in one easy step with telephone refills, no more trips to the Post Office to buy stamps.

■ **Efficiency** - saves time when processing mail no over or under stamping by using the useful integrated scale.

The DP50 Series also allows you to advertise your company on every letter, instantly bringing a professional image to your business and printing a return address on your mail piece.
